Présentation de l'éditeur

Hailing from New York City, illustrator and graphic designer David Olenick delivers LOLs through honest and ironic designs that are derived from, and inspired by, anxiety and uncertainty.

In his minimalist renderings, the housecat assures you that if he were bigger he'd tear you apart, the teacup requests that you "Calm the Hell Down," while the despondent umbrella states woefully, "It rains like every time I go outside." Each monthly spread features one of Olenick's clever designs that make it hard to suppress a smile.
