This book contains classic material dating back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience. Carefully selecting the best articles from our collection we have compiled a series of historical and informative publications on writings for women. The titles in this range include "The Lady of Quality" "Women and the Arts" "Woman in Love" and many more. This particular instalment, "Special Health Problems of Women" contains information on menstruation, the menopause, diseases and much more. It is intended to illustrate aspects of female health and serves as a guide for anyone wishing to obtain a general knowledge of the subject and understand the field in its historical context. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
